

Revision/Amendments Matrix

	Revisions Allowed	What can be revised	Cost of Revisions
IA	Yes	Only one revision before the expiration date of the permit. Can amend anything on a trip permit as long as it does not require additional routing. One change allowed for multi-move permits to change power unit or dimensions as long as the permit remains in same fee bracket. Dates cannot change once permit start date has arrived.	No charge
IL	Yes	Only one revision before start of Trip. Can amend routes (except origin and 1st route) weights/dimensions, and plate. Can have one extension if requested prior to expiration date	\$6 Routine \$56 Superloads
IN	Yes	Up to three revisions for single trip permits within the first 72 hours of issuance. Can amend truck information, route (except origin or destination), weights/dimensions (except mobile homes), and/or one extension if requested prior to expiration date. One change allowed for multi-move permits to change truck information	\$3 Routine \$13/\$38 Superloads
KY	No	Changes will be made if there is a mistake by KYTC employees	No charge
MI	No	Changes will be made if there is a mistake by state employees	No charge
MN	Yes	Up to two revisions for single trip permits on or before the expiration date of either the original permit or 1st revision. All changes will be considered (except permittee name). One change will be allowed on multi-move permits if documentation is provided that truck has been sold.	If the change increases the original permit fee the difference will be charged other wise no charge.
MO	Yes	Up to 8 revisions (depending on the situation, agent error, construction, unable to enter adjoining state due to restrictions), within two business days of permit start date. Can amend the start date and any other component if permit effective date is in the future. The permittee, origin, destination, and/or commodity being hauled/towed will not be amended if the permit is already in effect. One change allowed for annual permits to change truck make and/or license. Superloads can be revised at no cost unless the route changes.	\$2 Routine Bridge study fee Superload if route changes if not, no fee.
NE	Yes	One change allowed for truck information or routing.	\$10
OH	Yes	Only one revision for anything, except load description, origin, destination, permit type, permittee or anything that would cause the fee to change. Fax number may be changed multiple times.	\$10 Routine \$50.00 Superload

WI	Yes	You can amend size/weight, power unit, and dates on single trip permits. The first power unit change is no charge. Dates can only be changed on unused single trip permits and extensions must be done within 3 business days of permit expiration date. Power unit changes can be made on multi-move permits. Changes due to WisDOT errors done at no charge.	\$10 oversize \$10 + weight fee- overweight
